Ornaments

» **Optimal Point Sizes:**

For optimal rendering on-screen without antialiasing, use the BitKit alphanumeric fonts at 12 pt and multiples thereof (12, 24, 48, etc). The Ornaments weight is designed for use at 21pt.

» **Positioning the Text Fields:**

For BitKit to appear crisp at the recommended point sizes, the text field must be positioned at whole integers in the X and Y axes

» **For Easy Access to the Ornaments:**

Select and Copy the ornaments in this PDF and Paste them into your graphics application after installing the BitKit fonts.
