ABOUT FF CLAN BOLD

FF Clan™ is an extensive family from Warsaw's Lukasz Dziedzic. A fresh take on the contemporary sans model, FF Clan is comprised of seven weights in six widths. Dziedzic's experience in publication design is evident in these strong, readable types, which feature a large x-height, short descenders, and small caps for all weights. The thin weight is delicate but substantial, ideal for fashion and cosmetic campaigns. On the other end of the spectrum, the ultra weight makes a powerful statement in posters and dramatic headlines. No stranger to experimentation, the self-taught Dziedzic imbued FF Clan with a distinct personality that engages the reader while remaining truly legible.

ABOUT LUKASZ DZIEDZIC

Lukasz is a self-educated graphic designer as 15 years ago Poland was a too interesting country to spend time at schools... and schools were boring he says. He now has a full time job in newspaper and magazine design but works sometimes as illustration and animation designer as well.
